SUMMARY

Art Instructors report to the Associate Director of Education & Civic Engagement and are responsible for providing quality visual arts instruction at Camp di Rosa. This active position works with staff to deliver exciting and innovative art experiences that are fun, informative, and inspire the creative potential in participants. Visual art time at Camp di Rosa utilizes media such as painting, clay and printmaking. Art making ideas are generated from the abundant art and nature found at di Rosa. Instructors will work side by side with Nature Instructors and Camp Leaders in Training. Nature experiences at Camp di Rosa involve activities like fishing, archery, bird watching, hiking, plant and flower identification.

ABOUT DI ROSA

Protected in perpetuity under the Napa County Land Trust, di Rosa features multiple galleries, a sculpture park, and a 35-acre lake, all located on 217 scenic acres in Napa Valley's famed Carneros region. di Rosa originated as the vision of Rene di Rosa (1919-2010), a prolific collector whose famed vineyards enabled his development of a world-class art collection. Together with his wife Veronica di Rosa (1934–1991), he used the sale of his vineyards to build an "art park" for the greater public. The organization was incorporated as a nonprofit public trust in 2000.

Today di Rosa presents contemporary exhibitions by Bay Area-based artists and an array of educational programs for all ages, in addition to maintaining a permanent collection of notable works by artists with ties to the Bay Area from the mid-twentieth century to the early 2000's.
